

Application & Jury Process:

- ♦ **Prior Non-Member Participants:** If you have previously been accepted in this show, you do not need to be juried in again. However, we would still like to have at least three (3) photos of your work (high resolution) to use for our publicity.
- ♦ **Non-member artists who are applying for the first time to this show, must be juried into the show.** Please submit three (3) high resolution digital photos of your work by e-mail or on a CD with your application. This is a quality art sale and the jury process will be used to maintain the high quality of the show.
- ♦ **Confirmation of Space and the Jury Process:** A signed, completed registration form and payment must be received with the requested digital photos of your work, in order to be considered for the show. If you are not juried into the show, your registration will be returned to you in full. The jury process will take place the week of July 16, 2018 and you will be notified of acceptance or non-acceptance.
- ♦ **Eligibility:** ONLY original work, handmade by the artist is eligible for the event. **(Absolutely no seconds.)**
- ♦ **Pricing:** Pricing should reflect that of fine arts or high quality work. This is not a "seconds" sale event.

IMPORTANT NOTE ABOUT PHOTOS:

Photos must be of high quality resolution with plain back ground (no wrinkled or printed fabrics, or other distracting backgrounds). Please include only one (1) piece per photo. Not all artist photos will be used in publicity. Photos must be received by July 16, 2018.

If you are a returning non-member artist, please submit photos of new art.
